# Executive Summary

## Introduction

Every school has its own story to tell. The context in which teaching and learning takes place influences the processes and procedures by which the school makes decisions around curriculum, instruction, and assessment. The context also impacts the way a school stays faithful to its vision. Many factors contribute to the overall narrative such as an identification of stakeholders, a description of stakeholder engagement, the trends and issues affecting the school, and the kinds of programs and services that a school implements to support student learning.

The purpose of the Executive Summary (ES) is to provide a school with an opportunity to describe in narrative form the strengths and challenges it encounters. By doing so, the public and members of the school community will have a more complete picture of how the school perceives itself and the process of self-reflection for continuous improvement. This summary is structured for the school to reflect on how it provides teaching and learning on a day to day basis.

## Description of the School

**Describe the school's size, community/communities, location, and changes it has experienced in the last three years. Include demographic information about the students, staff, and community at large. What unique features and challenges are associated with the community/communities the school serves?**

Woodville High School is nestled in a valley between the mountains of the Cumberland Plateau located in the oldest town in Jackson County, which held its Bicentennial Celebration on June 13, 2015. It is located halfway between the municipalities of Huntsville and Scottsboro. Woodville is a very small, rural community with a population of only 893 in the 6.7 square miles of the town limits. The population is 84% Caucasian with the remaining 16% being listed as Hispanic, Native American, and "other". The demographics of the students and staff mirror that of our community. Although the town limit is only 6.7 square miles, the 496 Pre K through 12th grade students that we serve come from surrounding areas. 72% of our students receive free and/or reduced breakfast and lunch. This area is approximately 15-20 miles in each direction from our school. This presents a challenge creating a school community when so many of our students come from outlying areas. The socioeconomic status of our students qualifies Woodville High School as a Title I school. According to the 2015 Census, the median income of our families is \$33,611. Other than small "mom and pop" businesses, the community does not have financial support from large stores or corporations. Even though we are located near many two and four year colleges, our stakeholder survey results indicate that graduating from high school and attending college is not a priority. However, despite these challenges, our graduation rate is currently 91%.

## School's Purpose

**Provide the school's purpose statement and ancillary content such as mission, vision, values, and/or beliefs. Describe how the school embodies its purpose through its program offerings and expectations for students.**

### PURPOSE STATEMENT:

Woodville High School's purpose is to ensure an equal opportunity for all students to obtain a positive, effective, and innovative education. The partnership of our school with students, teachers, families, and the community provides a safe environment for student growth and success in the classroom and beyond.

### BELIEFS:

- All students can learn and achieve success.
- Students are valued individuals with unique physical, social, emotional, cultural, and intellectual needs.
- Students have unique talents and learning abilities that require a variety of instructional strategies and activities to promote success.
- Students should learn to work cooperatively and to think critically and creatively to solve problems.
- The development of character and social skills is an important part of education and enables students to succeed in life.
- Schools should provide a safe, clean, caring environment conducive to learning.
- Curricular and program decisions must promote academic achievement and should be research-based and student-centered.
- Technology, as both a teaching and learning tool, should be integrated throughout the curriculum and is essential in today's world.
- An effective education requires active participation and cooperation from students, family, staff, and community.
- Employees have a responsibility to model moral behavior, a strong work ethic, and a commitment to academic achievement.
- Quality, continuous professional development is essential to instructional improvement.

### VISION:

Woodville High School will provide a safe, clean, caring environment in which all students can achieve academic goals, develop character and social skills, discover their unique talents, and develop those skills and talents to their fullest potential enabling them to succeed in life.

### MISSION STATEMENT:

HELPING ALL STUDENTS ACHIEVE AND SUCCEED

## **Notable Achievements and Areas of Improvement**

**Describe the school's notable achievements and areas of improvement in the last three years. Additionally, describe areas for improvement that the school is striving to achieve in the next three years.**

Our school's administration realizes the importance of technology in preparing our students to be college and career ready. Because of the efforts of the school and district's administration, each of our regular classrooms has a Promethean Board, projector, Internet accessible computers for both student and teacher use. We also have laptop carts and three computer labs with Internet access available to our students when needed. As a result of the technology provided by our school and district, our students have improved in several areas. More students are taking advantage of online classes and dual enrollment in order to graduate and further their post-secondary education. With the addition of a morning and afternoon bus traveling to the Earnest Pruet Center of Technology, more students have the opportunity to attend and receive training in their desired career. With technology being available in every classroom, Pre K through 12, our students are being exposed and have access to technology they do not have at home.

Our school district is providing ongoing professional development which focuses on understanding, implementing, and evaluating close reading strategies and questioning techniques that foster critical thinking skills across all academic areas. The highly effective research based teaching strategies include teacher modeling of higher order thinking skills, collaboration, and active student engagement.

We are implementing authentic STEM (Science, Technology, Engineering, and Math) learning activities, such as the Greenpower Electric Car Initiative and Robotics, which will increase content knowledge and support the development of critical thinking, problem solving, and collaboration skills.

Our school's attendance has an ADA of 94.17%.

We recently received a grant the integrate music into the classroom.

Our Global Scholar scores were overall low. We strive to improve student proficiency in all areas of formal assessments.

---

## Additional Information

**Provide any additional information you would like to share with the public and community that were not prompted in the previous sections.**

Woodville High School teachers and administro sharministro shaaingnis exceers.

- \*2017-2018 Nick Baker, Angel Montesdeoca, Adam Ramirez, Collin Cash, and Wesley Summerford-All Region Football
  
- \*2017-2018 Tyler Franks, Blake Lands, Trevor Young, Mitchell McKenzie, and Jackson Peek-All Region Honorable Mention Football
  
- \*2017-2018 May 1st- First Annual Academic Signing Day: Taylor Garner, Amanda Williamson, Collin Cash, Camryn Geiger, and Ivy Gifford
  
- \*2017-2018 Toby Guthrie was part of a 3 person team that won gold in Automated Manufacturing Technology.
  
- \*2017-2018 Samantha Hicks won silver in CNC Milling Specialist
  
- \*2017-2018 Mitchell McKenzie won gold in Industrial Motor Specialist
  
- \*2017-2018 Boys State-Girls State-Jacob Lack, McKenzie Clark
  
- \*2017-2018 Camry Geiger and Avery Parker- All County Banquet
  
- \*2017-2018 8 out of 37 juniors in the 21 club (scored 21+ on the ACT)
  
- \*2017-2018 3rd time Senior Beta School of Merit
  
- \*2017-2018 Jackson County Math Competition:
  - 5th grade Math-Top Individuals in the County (Charity Misterka and Olivia Parker)
  - 6th grade Math-Casey England (1st place) and Trinity Hughes
  - 7th grade Math-Karlee Hutchens
  - 8th grade Math-Caleb Lack and Caleb Dolberry
  - Algebra 1-Jackson Peek, Damyon Reid, Laci Downey
  - Algebra 2-Blake Frazier, Jacob Lack, and Hunter Sisk
  - Geometry Team- 3rd place
  - Geometry-Tia Edwards, Rhiannon Lindbom, Jordyn Cosby, Zachary Thompson, Garrett Palmour
  - Pre-Cal-Avery Parker
  
- \*2016-2017-Geometry Team placed 3rd at Math Team Competition
  
- \*2016-2017 - We had students place in the top ten in the PreCalculus Division at the Jackson County Mathematics Competition. Sara Baugh placed 9th and Ross Johnson ranked 5th.
  
- \*2016-2017- Woodville Jr. Leaders: Tyler Franks, Taylor Garner, Camryn Geiger, and Savannah Young
  
- \*2016-2017 - Our Senior Beta was recognized as the School of Merit, and two students were awarded with Beta Scholarships.
  
- \*2016-2017 - Three of our students: Jacob Lack, Hunter Sisk, and Casey Wright were finalists at the State Track Meet.
  
- \*2016-2017 - 5th Graders competed in the Green Power USA race and placed third overall and 1st in the Slalom Race.

\*2016-2017 - Jacob Lack was the first ever student that represented at the Capstone Leadership Academy.

\*2015-2016 - Our fifth grade students competed in the Green-Power Goblin Race. Our students received first placed in all categories along with the Spirit Award.

\*2015-2016 - Our 5th-8th grade Math Team competed in the Rocket City Junior Math Mania on November 14, 2015.

\*2015-2016 - started a Touchdown Team and Hoops Squad to help with our football and basketball programs. Students are eligible for consideration through a selection process. Upon graduation these students will receive a book grant.

\*2015-2016 - Our first volleyball team placed 2nd in the Jackson County Tournament.

\*2015-2016- Our 6th grade placed first in the Jackson County Mathematics Competition.

\*2014-2015 - Our 5th grade placed 1st in the 2015 Jackson County Mathematics Competition for the first time in school history. Our 7th grade placed 3rd. Brett Berger placed first place, and Gabe Lyle placed first place for their division.

\*2014-2015 - Our 5th grade students competed in the first U.S. Greenpower Goblin Race. Our students brought back the Spirit Award.

\*2015 - We had our first Bryant Jordan Scholastic Regional Recipient.

\*2014 - Woodville High School was recognized nationally in the U.S. News Best High Schools rankings with 92% proficiency in mathematics and 90% proficiency in reading, both above the state average.

\* 2013-2014 - Woodville Lady Panthers Basketball team went to the state tournament for the first time in school history.

\*2013-2014 - We had a State Cross Country Champion.

\*During these difficult economic times, we felt like we needed to help in any way that we could. Our PALS Program currently feeds about 70 students each weekend by sending food home with them every Friday. The PALS students also provide tutoring for students and participate in various projects, such as raising money to fight cancer.

# **Improvement Plan Stakeholder Involvement**

## **Introduction**

The responses should be brief, descriptive, and appropriate for the specific section. It is recommended that the responses are written offline and then transferred into the sections below.

Lori Thompson, Parent

Audra White, Parent

Blake Frazier, Student

Amina White, Student

**Explain how the final improvement plan was communicated to all stakeholders, and the method and frequency in which stakeholders receive information on its progress.**

The CIP and Technology Plans are presented, with principal approval, to the School Improvement Specialist, Parental Involvement Specialist, Federal Programs Coordinator, and Superintendent for approval. The CIP and Technology Plans are presented to the Jackson County Board of Education for approval. The CIP and Technology Plans are updated as needed throughout the school year. A copy is maintained in the school office and library.

The CIP and Technology Plans are available on the district website at [www.jackson.k12.al.us](http://www.jackson.k12.al.us). Copies are available upon request.

# Student Performance Diagnostic

## **Introduction**

The Student Performance Diagnostic provides an institution with a process to report summative student assessments. This diagnostic is significant to the accreditation and continuous improvement process as it serves as a resource for schools to view content area assessment results required by the state, district, or other entities, determine the quality and reliability of the given assessments, and show the alignment of the assessments to the school's curriculum. The performance level computed at the completion of the diagnostic is used by the external review team as a comprehensive report to understand fully the institution's assessment program; the diagnostic should be used in the same manner by the institution as it engages in improvement planning.

## Student Performance Data

| Label | Assurance  | Response | Comment                                     | Attachment                             |
|-------|--|----------|---|--|
| 1.    | Did you complete the Student Performance Data document offline and upload below? | Yes      | Student Performance Data document uploaded. | 2018 Student Performance Data Document |

# Evaluative Criteria and Rubrics

Overall Rating: 3.5

|  | Statement or Question |  |  |
|--|-----------------------|--|--|
|  |                       |  |  |

## Areas of Notable Achievement

### Which area(s) are above the expected levels of performance?

Fifth Grade had 56% of students reach their growth target, and 57% were on grade level or above in reading in 2018.

Sixth Grade had 54% of students reach their growth target, and 46% were on grade level or above in reading, and 59% met their growth target and 65% were on grade level or above in math in 2018.

Tenth Grade had 50% meet their growth target in math.

### Describe the area(s) that show a positive trend in performance.

This was our first year taking the Scantron Global Scholar Assessment, so no trend data is available

### Which area(s) indicate the overall highest performance?

5th grade reading and 6th grade math were the overall highest performance on the Scantron Global Scholar Assessment.

### Which subgroup(s) show a trend toward increasing performance?

In reading, males shown a higher growth than females. In math, the females only outperformed the males by 1%.

### Between which subgroups is the achievement gap closing?

In math, the males and females scored within a percent of each other.

### Which of the above reported findings are consistent with findings from other data sources?

The above reported findings are consistent with the findings of the 2017 Fall Scantron Global Scholar Assessments.

## Areas in Need of Improvement

### Which area(s) are below the expected levels of performance?

Fourth grade only had 25% of students that met their growth target in reading. 40% were on grade level or above in reading. 18% of fourth graders met their growth target in math, and 29% were on grade level or above. Second grade scores were also low in reading and math.

### Describe the area(s) that show a negative trend in performance.

This was our first year taking the Scantron Global Scholar Assessment, so no trend data is available.

### Which area(s) indicate the overall lowest performance?

Tenth grade had 0% on grade level or above in reading. Second, Fourth, and Seventh grade scored low overall in reading and math.

### Which subgroup(s) show a trend toward decreasing performance?

Females shown only a 68% growth in reading, while males grew 78%. Our 4th and 7th grade as a whole showed the overall lowest performance in all areas of the Global Scholar.

### Between which subgroups is the achievement gap becoming greater?

The achievement gap is becoming greater in reading among males and females.

### Which of the above reported findings are consistent with findings from other data sources?

The above reported findings are consistent with the findings from the 2018 Fall Scantron Global Scholar Assessments.

## Report Summary

### Scores By Section

# **ACIP Assurances**

## **Introduction**

By responding to the questions in ASSIST and attaching evidence when required, the institution has verified whether it meets or does not meet each of the required ACIP Assurances.

## ACIP Assurances

| Label | Assurance  | Response | Comment   | Attachment  |
|-------|--|----------|---|---|
| 1.    | The Instructional Leadership Team members that should be present include the principal, guidance counselor, district school improvement specialist (or other designee), appropriate content-area teachers, parent representatives, and student representatives (as appropriate). Depending on the data, additional members may include special population representatives (Technology Coordinator, Special Education, EL, etc.), district federal programs coordinator, district chief school financial officer, community stakeholders, or any other member as appropriate. Documentation will be maintained on site. | Yes      | Woodville High School 's Instructional Leadership Team Signature Sheet for the 2018-2019 school year has been uploaded. | 2018-2019 Woodville School CIP Leadership Team Signature Page |

# **2018-2019 Woodville High School Continuous Improvement Plan**

## **Overview**

### **Plan Name**

2018-2019 Woodville High School Continuous Improvement Plan

### **Plan Description**

Continuous Improvement Plan

## Goals Summary

The following is a summary of the goals encompassed in this plan. The details for each goal are available in the next section.

| # | Goal Name  | Goal Details                                      | Goal Type      | Total Funding |
|---|--|---|----------------|---------------|
| 1 | Provide a rigorous and effective instructional program to ensure the academic growth of all students.  | Objectives: 9<br>Strategies: 19<br>Activities: 38 | Academic       | \$0           |
| 2 | Engage Parents and Community in the Educational Process  | Objectives: 5<br>Strategies: 9<br>Activities: 15  | Organizational | \$0           |
| 3 | Graduate College and Career Ready Students   | Objectives: 2<br>Strategies: 4<br>Activities: 5   | Organizational | \$41500       |
| 4 | Ensure that all students have optimal instructional time and the support necessary to be successful in school while providing a unique climate and culture in which all students feel welcome, safe, and secure. | Objectives: 3<br>Strategies: 5<br>Activities: 12  | Organizational | \$0           |

# Goal 1: Provide a rigorous and effective instructional program to ensure the academic growth of all students.

## Measurable Objective 1:

62% of Third, Fourth, Fifth, Sixth, Seventh and Eighth grade students will demonstrate a proficiency in comprehension in Reading by 06/30/2020 as measured by state mandated assessment..

## Strategy 1:

Test Data Analysis to Identify Student Proficiency and Areas in Need of Improvement - All ELA, social studies, and science teachers in grades K-8 will participate in a careful analysis of the reading portions of the state mandated test results for students taught in the previous academic year to determine areas in which students excelled and areas which were not mastered as a means of evaluating the instruction provided. All ELA, social studies, and science teachers in grades 3-8 will participate in a careful analysis of the ELA portions of the state mandated test results for their current students to determine areas in which students excelled and areas which were not mastered the previous year in order to plan an effective instructional program for the current year.

Category: Develop/Implement Research Based Best Practices for Continuous Improvement

| Activity - Professional Development on Data Analysis of Summative Assessments | Activity Type: |  |  |  |  |  |
|---|----------------|--|--|--|--|--|
|   |                |  |  |  |  |  |

**(shared) Strategy 2:**

Monitor Progress in the Implementation of Instructional Strategies and Active Engagement of Students - The implementation of instructional strategies which foster active engagement, the development of higher order thinking skills, student centered classrooms, and inquiry-based learning will be monitored throughout the school year to ensure growth as the district strives toward an effective instructional program.

Category: Develop/Implement Research Based Best Practices for Continuous Improvement

| Activity - Administrator Walk Throughs   | Activity Type      | Begin Date | End Date   | Resource Assigned | Source Of Funding   | Staff Responsible |
|--|--------------------|------------|------------|-------------------|---------------------|-------------------|
| Principals, appropriate Supervisors, and the district's School Improvement Specialist will complete walk throughs on a regular basis and document the process. | Policy and Process | 08/04/2014 | 06/01/2020 | \$0               | No Funding Required |                   |

**Strategy 3:**

Professional Development on Instructional Strategies for Teaching Reading - Professional Development will be provided on: instructional strategies which teach foundational skills and vocabulary development; effective questioning techniques which develop critical thinking skills; and the close reading skills of that help students to compare and contrast, summarize, annotate, make inferences, predict and draw conclusions, and writing from sources. The professional development will be provided through face-to-face sessions, book studies, blended learning, and teacher collaboration.

Category: Develop/Implement Professional Learning and Support

|  |  |  |  |  |  |  |
|--|--|--|--|--|--|--|
|  |  |  |  |  |  |  |
|--|--|--|--|--|--|--|

**(shared) Strategy 4:**

Data Analysis to Identify Student Proficiency and Areas in Need of Improvement - Teachers will participate in a careful analysis of the state mandated test results for students taught in the previous academic year and other data sources to determine areas in which students excelled and areas which were not mastered as a means of evaluating the instruction provided. Teachers will participate in a careful analysis of the state mandated test results for their current students and other data sources to determine areas in which students excelled and areas which were not mastered the previous year in order to plan an effective instructional program for the current year. Category: Develop/Implement Research Based Best Practices for Continuous Improvement

|  |                          |            |            |     |                     |   |
|--|--------------------------|------------|------------|-----|---------------------|---|
| All teachers will participate in monthly data meetings which include multiple sources of data (classroom assessments, formative assessments, state mandated assessments, discipline, attendance) | Academic Support Program | 10/03/2016 | 11/01/2020 | \$0 | No Funding Required | Curriculum Coordinator, Principals, Reading Specialists, Teachers |
|--|--------------------------|------------|------------|-----|---------------------|---|

**(shared) Strategy 5:**

Establish Professional Learning Communities - To begin the growth of Professional Learning Communities within the district grade level and subject specific round table workshops will be held in which instructional strategies, best practices, and technology will be discussed. Emphasis will be placed on activities/strategies that foster higher order thinking among students.

Category: Develop/Implement Professional Learning and Support

| Activity - Round Table Workshops | Activity Type |  |  |  |  |  |
|----------------------------------|---------------|--|--|--|--|--|
|                                  |               |  |  |  |  |  |

**(shared) Strategy 6:**

Eight Period Hybrid Schedule - High schools in the district will transition to an eight period hybrid schedule in order to improve classroom instructional pace and continuity in academic courses. The schedule will also involve the creation of a three session scheduling model at the district career tech center (EPCOT) allowing for separate sessions focusing on first year and experienced students.

Category: Develop/Implement Research Based Best Practices for Continuous Improvement

**(shared) Strategy 8:**

ACT Prep Training - The district will provide ACT Prep training through the ACT Prep expert for content area teachers focusing on how to incorporate ACT type questions, ACT test taking skills, timed teaching activities and tips into the classroom instruction.

Category: Develop/Implement Professional Learning and Support

**Strategy 9:**

Professional Development on Math Standards - Utilizing AMSTI staff, the district will have professional development for math teachers in grades k-8 on state math standards and best practices.

Category: Develop/Implement Professional Learning and Support

**Strategy 1:**

Professional Development for K-8 Teachers on Teaching Computational and Reasoning Strategies - Math teachers in grades K-8 will have an opportunity to participate in face to face professional development on the strategies used in the standards-based Eureka Mathematics program. The professional development includes training videos and materials.

Category: Develop/Implement Professional Learning and Support

| Activity - Professional Development on Eureka Math   | Activity Type         | Begin Date | End Date   |     | Source Of Funding   | Staff Responsible   |
|--|-----------------------|------------|------------|-----|---------------------|---|
| Math teachers in grades k-8 will participate in face to face professional development on the strategies used in the standards-based Eureka Mathematics program for the purpose of implementing these strategies in their classrooms. | Professional Learning | 05/01/2017 | 06/30/2020 | \$0 | No Funding Required | Curriculum Coordinator, Principals, Instructional Coaches |

**(shared) Strategy 2:**

Monitor Progress in the Implementation of Instructional Strategies and Active Engagement of Students - The implementation of instructional strategies which foster active engagement, the development of higher order thinking skills, student centered classrooms, and inquiry-based learning will be monitored throughout the school year to ensure growth as the district strives toward an effective instructional program.

Category: Develop/Implement Research Based Best Practices for Continuous Improvement

**Strategy 3:**

Test Data Analysis to Identify Student Proficiency and Areas in Need of Improvement in Mathematics - Increased emphasis will be placed on the use of formative and summative assessments to inform instruction.

**Measurable Objective 3:**

45% of Eleventh grade students will demonstrate a proficiency in reading comprehension in English Language Arts by 06/01/2020 as measured by ACT Plus Writing.

**Strategy 1:**

Professional Development on Reading Comprehension Strategies for Secondary Teachers - Professional development on Reading Comprehension Strategies for Secondary Teachers- Professional Development which focuses on understanding, implementing, and evaluating reading strategies and questioning techniques that foster critical thinking skills will be provided. The processes involved in this approach to comprehension are supported by research as highly effective teaching strategies. The high yield instructional strategies embedded in the close reading technique include active engagement, student collaboration, requiring students to compare and contrast, summarize, annotate, make inference, predict and draw conclusions. It includes teacher modeling of high order thinking skills and holds students accountable for evidence-based answers to probing questions.

Category: Other - Parental Involvement

### **Goal 3: Graduate College and Career Ready Students**

**Strategy 1:**

Transition Processes - Using the established committee chaired by the school counselor, Woodville High School will examine and enhance the transition program from grade-to-grade in the school. The schools in the feeder school pattern will collaborate to ensure seamless transition from kindergarten through grade twelve

Category: Implement Guidance and Counseling Plan

| Activity - Transition Planning | Activity Type |  |  |  |  |  |
|--------------------------------|---------------|--|--|--|--|--|
|                                |               |  |  |  |  |  |

**Strategy 2:**

A+ College Ready Program and AP Classes - The district will pilot the A+ College Ready Program with a single high school and its feeder schools and expand the program based on the results of the pilot.

Category: Develop/Implement Professional Learning and Support

**Strategy 1:**

Supporting the Development of Viable Education and Career Plans for Students - All students will develop a career plan by grade eight that is appropriate, attainable, and adaptable. These career plans will be implemented and adapted as the students progress through high school as needed to meet the needs of the students.

Support will be provided for school counselors and the students as they work through the process of developing the career plans.

Category:

# Stakeholder Feedback Diagnostic

## Introduction

The Stakeholder Feedback Diagnostic is designed to analyze the institution's survey results in terms of areas of achievement and areas that need improvement. Further, the diagnostic is essential to the accreditation and continuous improvement processes in that it provides the institution with a comprehensive view of the aggregate scores of the surveys administered, and the actual total of respondents for each survey type to derive a single score for this diagnostic. The performance level score computed at the completion of the diagnostic is used to broaden and enhance the external reminiseance level score compum teu 0 rstna dinistered,Diagnostic teorecepic iinisteredomprehensiv;sed to

## Evaluative Criteria and Rubrics

Overall Rating: 3.5

|    | Statement or Question        | Response  | Rating  |
|----|------------------------------|---|---------|
| 1. | Questionnaire Administration | All required AdvancED questionnaires were used by the institution to receive stakeholder feedback. The minimum response rate for each population was met (parent questionnaire: equal to or greater than 20%, student questionnaire(s): equal to or greater than 40%, staff questionnaire: equal to or greater than 60%). Questionnaires were administered with complete fidelity to the appropriate administrative procedures. In every instance, the stakeholders to whom these questionnaires were administered fully represented the populations served by the institution. Appropriate accommodations were provided as necessary for all participants. | Level 4 |

|    | Statement or Question                     | Response   | Rating  |
|----|---|--|---------|
| 2. | Stakeholder Feedback Results and Analysis | All questionnaires had an average item value of 3.20 or above (on a 5.0 scale). Results of stakeholder feedback collected by the institution were acceptably analyzed and presented with reasonable clarity. | Level 3 |

## Areas of Notable Achievement

### Which area(s) indicate the overall highest level of satisfaction or approval?

The 2015 AdvancEd Stakeholder Survey Indicators with the highest levels of satisfaction or approval:

\*Indicator 4.4: Students and school personnel use a range of media and information resources to support the school's educational programs. (Early Elementary K-2 Survey)

\*Indicator 3.6: Teachers implement the school's instructional process in support of student learning. (Elementary 3-5 Survey)

\*Indicator 1.3: The school's leadership implements a continuous improvement process that provides a clear direction for improving conditions that support student learning. (Middle and High School 6-12 Survey)

\*Indicator 3.9: The school has a formal structure whereby each student is well known by at least one adult advocate in the school who supports that student's educational experience. (Parent Survey)

\* Indicator 1.3: The school's leadership implements a continuous improvement process that provides clear direction for improving conditions that support student learning. (Staff Survey)

The 2016 AdvancEd Stakeholder Survey Indicators with the highest levels of satisfaction or approval:

Early Elementary

\*Indicator 1.1: This indicator received an overall score of 3. The school engages in a systematic, inclusive, and comprehensive process to

provides clear direction for improving conditions that support student learning. Indicator 1.3 was also an area of overall highest satisfaction in the 2014 school year.

C1: Our school's purpose statement is clearly focused on student success.

E11: My child has at least one adult advocate in the school. Our district began an advocacy program this school year, and this was a high indicator this year as well as in 2016. (Indicator 3.9)

E8: All of my child's teachers report on my child's progress in easy to understand language.

E10: My child knows the expectations for learning in all classes.

F6: Our school provides opportunities for students to participate in activities that interest them.

Staff selected these indicators as the overall highest:

C1: Our school's purpose statement is clearly focused on student success.

C5: Our school has a continuous improvement process based on data, goals, actions, and measures for growth.

C4: Our school's purpose statement is supported by the policies and practices adopted by the school board or governing body.

D3: Our school's leaders support an innovative and collaborative culture.

D4: Our school's leaders expect staff members to hold all students to high academic standards.

D5: Our school's leaders hold themselves accountable for student learning.

E13: In our school, a formal structure exists so that each student is well known by at least one adult advocate in the school who supports that student's educational experience.

The 2018 AdvancEd Stakeholder Survey Indicators with the highest levels of satisfaction or approval:

Parent Surveys:

I understand my child's report cards and test scores.

Our school provides a safe learning environment.

Our school's purpose statement is clearly focused on student success.

Elementary Students:

In my school, my principal and teachers want every student to learn.

My teachers tell me how I should behave and do my work.

My principal and teachers help me to be ready for the next grade.

Middle and High School Students:

In my school, the principal and teachers have high expectations of me.

In my school, teachers work together to improve student learning.

In my school, programs and services are available to help me succeed.

Staff:

Our school's purpose statement is clearly focused on student success.

Our school has a continuous improvement process based on data, goals, actions, and measures for growth.

Our school provides a variety of information resources to support student learning.

Our school provides instructional time and resources to support our school's goals and priorities.

**Which area(s) show a trend toward increasing stakeholder satisfaction or approval?**

The following areas show a trend toward increasing stakeholder satisfaction:

**Early Elementary**

\* Indicator 1.1 The school engages in a systematic, inclusive, and comprehensive process to review, revise, and communicate a school purpose for student success. This was an area of overall highest satisfaction in the 2014 school year.

\*Indicator 4.4 Students and school personnel use a range of media and information resources to support the school's educational programs. This was an area of overall highest satisfaction in the 2015 school year.

**Middle/High**

\*Indicator 1.3 The school's leadership and staff commit to a culture that is based on shared values and beliefs about teaching and learning and supports challenging, equitable educational programs and learning experiences for all students that include achievement of learning, thinking, and life skills. This was also an area of overall highest satisfaction in the 2014 school year. In my school, teachers work together to improve student learning. This was a high area of satisfaction in 2017 and 2018.

**Parents**

\*Indicator 3.9 The system designs and evaluates structures in all schools whereby each student is well known by at least one adult advocate in a student's school who supports that student's educational experience. This was also an area of overall highest satisfaction in the 2014, 2017, 2018 school year.

**Which of the above reported findings are consistent with findings from other stakeholder feedback sources?**

All of the above reported findings are consistent with findings from the previous AdvancEd survey conducted for school year 2017-2018.

## Areas in Need of Improvement

### Which area(s) indicate the overall lowest level of satisfaction or approval?

The indicators with the overall lowest level of satisfaction according to the 2015 AdvancEd Survey:

\*Indicator 3.8: The school engages families in meaningful ways in their children's education and keeps them informed of their children's learning progress. (Early Elementary K-2 Survey, Elementary 3-5 Survey)

\*Indicator 4.3: The school maintains facilities, services, and equipment to provide a safe, clean, and healthy environment for all students and staff. (Middle and High School 6-12 Survey)

\*Indicator 2.2: The governing body operates responsibly and functions effectively. (Parent Survey)

\*Indicator 3.7: Mentoring, coaching, and induction programs support instructional improvement consistent with the school's values and beliefs about teaching and learning. (Staff Survey)

The indicators with the overall lowest level of satisfaction according to the 2016 AdvancEd Survey:

#### Early Elementary

\*Indicator 3.8: This indicator received a score of 1.32. The school engages families in meaningful ways in their children's education and keeps them informed of their children's learning progress. Indicator 3.8 was also an area of overall lowest satisfaction in the 2014 school year.

\*Indicator 3.3: This indicator received a score of 1.41. Teachers engage students in their learning through instructional strategies that ensure achievement of learning expectations.

#### Elementary

\*Indicator 5.1: This indicator received a score of 2.1. The system establishes and maintains a clearly defined and comprehensive student assessment system.

\*Indicator 4.3: This indicator received a score of 2.3. The school maintains facilities, services, and equipment to provide a safe, clean, and healthy environment for all students and staff.

#### Middle/High

\*Indicator 2.1: This indicator received a score of 2.6. The governing body establishes policies and supports practices that ensure effective administration of the school.

\*Indicator 4.3: This indicator received a score of 2.7. The school maintains facilities, services, and equipment to provide a safe, clean, and healthy environment for all students and staff. Indicator 4.3 was also an area of overall lowest satisfaction in the 2014 school year.

#### Staff

\*Indicator 3.7: This indicator received a score of 3.65. Mentoring, coaching, and induction programs support instructional improvement

consistent with the school's values and beliefs about teaching and learning. Indicator 3.7 was also an area of overall lowest satisfaction in the 2014 school year.

\*Indicator 2.6: This indicator received a score of 3.7. Leadership and staff supervision and evaluation processes result in improved professional practice and student success.

#### Parents

\*Indicator 4.2: This indicator received a score of 4.1. Instructional time, material resources, and fiscal resources are sufficient to support the purpose and direction of the school.

\*Indicator 2.2: This indicator received a score of 4.2. The governing body operates responsibly and functions effectively. Indicator 2.2 was also an area of overall lowest satisfaction in the 2014 school year.

The indicators with the overall lowest level of satisfaction according to the 2017 AdvancEd Survey:

#### Elementary Students:

F1: My school is safe and clean. In 2016, this indicator was also a low indicator (4.3).

G1: My principal and teachers ask me what I think about school.

D2: In my school students treat adults with respect.

E5: My teachers ask my family to come to school activities.

D1: In my school, I am treated fairly.

#### Middle/High School Students:

F2: In my school, students respect the property of others.

F5: In my school, students help each other even if they are not friends.

F4: In my school, computers are up-to-date and used by teachers to help me learn.

C4: In my school, all students are treated with respect.

E9: All of my teachers change their teaching to meet my learning needs.

#### Parents:

E1: All teachers in our school monitor and adjust curriculum, instruction, and assessment based on data from student assessments and examination of professional practice.

E2: All teachers in our school personalize instructional strategies and interventions to address individual learning needs of students.

E4: All teachers in our school use a variety of technologies as instructional resources.

E15: In our school, staff members provide peer coaching to teachers. This indicator shown to be a weakness in 2016 as well. (Indicator 3.7)

The 2018 AdvancEd Stakeholder Survey Indicators with the lowest levels of satisfaction or approval:

Parent Surveys

Were you made aware of where to get a copy of the Federal Programs Consolidated Plan?

All of my child's teachers meet his/her learning needs by individualizing instruction.

Elementary Students:

My school is safe and clean.

In my school, students treat adults with respect.

My teachers ask my family to come to school activities.

Middle and High School Students:

In my school, students respect the property of others.

In my school, students help other students even if they are not friends.

In my school, students treat adults with respect.

Staff:

In our school, a formal process is in place to support new staff members in their professional practice.

All teachers in our school regularly use instructional strategies that require student collaboration, self-reflection, and development of critical thinking skills.

Do you use exemplars?

**Which area(s) show a trend toward decreasing stakeholder satisfaction or approval?**

The following areas show a trend toward decreasing stakeholder satisfaction:

Early Elementary

\*Indicator 3.8 The school engages families in meaningful ways in their children's education and keeps them informed of their children's

learning progress. This was also an area of overall lowest satisfaction in the 2014 and 2018 school year.

#### Middle/High

\* Indicator 4.3 The school maintains facilities, services, and equipment to provide a safe, clean, and healthy environment for all students and staff. This was also an area of overall lowest satisfaction in the 2014, 2017, and 2018 school years.

#### Staff

\*Indicator 3.7 Mentoring, coaching, and induction programs support instructional improvement consistent with the school's values and beliefs about teaching and learning. This was also an area of overall lowest satisfaction in the 2014, 2017, 2018 school years.

#### Parents

\*Indicator 2.2 The governing body operates responsibly and functions operations effectively. This was also an area of overall lowest satisfaction in the 2014 and 2017 school year.

### **What are the implications for these stakeholder perceptions?**

According to parents, our school has a clearly focused purpose statement on student success. The parents reported that they understood their child's report cards and test scores. Parents feel that the school provides a safe learning environment. Parents are concerned with individualizing instruction in the classroom. Adequate up to date learning supplies is another issue they feel needs to be addressed. Elementary students feel that their teachers and principals wants them to be prepared and wants academic success. However, they feel that the school is not safe and clean, and students do not treat the adults with respect. Parent involvement is also a concern. The middle/high school students feel that the staff holds high expectations for them, and the teachers work together for student success, however, respect among students is a huge concern. Up-to-date technology is another issue they feel needs to be addressed. Our staff believes that mentoring, coaching, and induction programs are not consistent with the school's values and beliefs about teaching and learning. They do believe that our purpose statement is clearly focused and our continuous improvement process measures for growth.

### **Which of the above reported findings are consistent with findings from other stakeholder feedback sources?**

All of the above reported findings are consistent with findings from previous stakeholder surveys.

## Report Summary

### Scores By Section

# Title I Schoolwide Diagnostic

## Component 1: Comprehensive Needs Assessment (Sec.1114(b)(6))

### How was the comprehensive needs assessment conducted?

The leadership team and faculty members annually analyze the national, state, and local indicators of academic achievement available for use with elementary students. Multiple sources of data are analyzed to identify areas of need. Data analysis includes academic performance, attendance reports, and discipline reports as well as survey results from stakeholders. After a thorough analysis of data, goals and strategies will be developed to address the areas identified for improvement.

Beginning in the 2013-2014 school year, students in the third and fourth grade took the ACT Aspire, providing four years of data to analyze. In addition to the ACT Aspire, Scott Foresman/Pearson Realize; Global Scholar, and Success Maker were the primary indicators available for data analysis. The leadership team and faculty members determined the general strengths and weaknesses from the available data, discussed results, reform strategies and continued to plan for instructional improvements.

For 2018-19, we will analyze the newest assessment for 2017-2018, Global Scholar, in addition to other sources.

Our faculty will meet once every month to review and/or revise our plan. The monthly agenda will be sent to the Federal Programs Supervisor.

### What were the results of the comprehensive needs assessment?

The 2018 stakeholder feedback questionnaires show the following:

Elementary Students feels that our school is unsafe and unclean, that our principal and teachers don't ask them what they think about school. Elementary students noted that students don't treat adults with respect. Parental Involvement is a weakness.

Middle/High School Students feel that students do not respect the property of others or their teachers. They do believe that teachers work together to improve student learning. They also feel that the principal and teachers have high expectations set for them.

Parents responded that our school's purpose statement is clearly focused on student success, and we provide a safe learning environment. However, parents feel that our school does not provide an adequate supply of learning resources that are current and in good condition. They are also concerned with teachers meeting the needs of all students by individualizing instruction.

Staff feels that we need an advocacy program in place for new teachers. The majority of parents also reported that they were unaware of how to get a copy of the Federal Programs Consolidated Plan.

Teacher Attendance: There were a total of 379 teacher absences that occurred this year. 20% of the absences were for board approved or family medical.

**What conclusions were drawn from the results?**

The following conclusions were drawn from our data analysis:

- \*Overall Global Scholar scores were low, especially in second, fourth, and seventh grade.
- \*Disorderly conduct was the most occurring infraction on the SIR Summary.
- \*Our ADA is 94.22% which had increased from 93.09% from the prior year.

The following statements scored higher on our school surveys:

Our school's purpose statement is clearly focused on student success. Our school provides a safe learning environment. I understand my child's report cards and test scores. (Parents)

In my school, my principal and teachers want every student to learn. My teachers tell me how I should behave and do my work. My principal and teachers help me be ready for the next grade. (Elementary Students)

In my school, programs and services are available to help me succeed. In my school teachers work together to improve student learning. In my school, the principal and teachers have high expectations of me. (Middle and High School Students)

Our school's purpose statement is clearly focused on student success. Our school has a continuous improvement process based on data, goals, actions, and measures for growth. (Staff)

**What information was concluded as a result of analyzing perception, student achievement, school programs/process, and demographic data?**

The results show that Woodville School's instructional process supports student learning. We provide a clear purpose to ensure student success. We need to create meaningful ways for families to be more involved in their child's education. We need to focus on individualizing instruction for every student across all disciplines and grade levels. We need to focus on teaching respect to students.

**How are the school goals connected to priority needs and the needs assessment?**

Woodville School is attempting to achieve our school goals by implementing strategies based on the analysis of standardized test results, stakeholder feedback surveys, and school demographic information related to student attendance, discipline, and overall academic achievement.

**How do the goals portray a clear and detailed analysis of multiple types of data?**

After careful analysis of multiple types of data, including standardized tests and stakeholder surveys, it is clear we need to engage our parents and community in the education process in order to provide an effective instructional program that ensures the academic growth of all students. We need to focus on providing learning experiences that will increase content knowledge and support the development of critical thinking, problem solving, communication and collaborative skills our students will need for college and/or career.

**How do the goals address the needs of the whole school population and special recognition to children who are disadvantaged?**

The goals we are aspiring to achieve ensure all students will demonstrate a continuous improvement in academic achievement with an emphasis on closing the gaps between our subgroups. Our goals will help teachers gain the knowledge they need to improve our instruction which will ensure success for all students.

## **Component 2: Schoolwide Reform Strategies (Sec. 1114(7)(A)(i)(ii)(iii)(I)(II)(III))**

Identify the strategies in the schoolwide plan that provide opportunities for all children, including each of the subgroups of students (economically disadvantaged; students from major racial and ethnic groups; children with disabilities; and English Learners) as defined in section 1111(c)(2) to meet the challenging State academic standards.

### **Goal 1:**

Provide a rigorous and effective instructional program to ensure the academic growth of all students.

### **Measurable Objective 1:**

30% of Eleventh grade students will demonstrate a proficiency in critical thinking in Science by 06/01/2020 as measured by ACT Plus Writing..

### **Strategy1:**

Professional Development for High School Science Teachers - Professional development will be provided for all high school science teachers on the new Alabama Science Standards and STEM projects.

Category: Develop/Implement Professional Learning and Support

**Describe how the school provides individual student academic achievement results and interpretation of the results to parents of English Learners in a language they can understand.**

Assessments were provided in English and Spanish for Spanish speaking students. Our district provides a county wide EL paraprofessional to utilize with non English speaking students and families.

**Component 3: Instruction by Qualified Staff (Sec.1112(c)(6))**

| Label | Assurance  | Response | Comment  | Attachment |
|-------|--|----------|--|------------|
| 1.    | Do all of the instructional paraprofessionals meet the state requirements? If no, what is the number that has not met state requirements and what is being done to address this? | Yes      | All paraprofessionals meet state requirements. |            |

| Label | Assurance   | Response | Comment   | Attachment |
|-------|---|----------|---|------------|
| 2.    | Do all of the teachers meet the state requirements and licensing criteria for the grade levels and subject areas in which the teachers provide instruction? If no, what is the number that has not met state requirements and licensing criteria, and what is being done to address this? | No       | All of Woodville School's teachers are highly qualified, except one. We have an elective teacher that is teaching out of field, but is working to resolve this. |            |

**Describe how staffing decision ensure that highly qualified, well trained teachers provide instruction and how their assignments most effectively address identified academic needs.**

Teacher employment decisions for Woodville School are decided by the superintendent and the school principal. Highly qualified teachers are assigned to positions in their field of expertise.

## Component 4: Strategies to Attract Qualified Teachers (Sec. 1114(7)(A)(iii)(IV))

**What is the school's teacher turnover rate for this school year?**

This past school year, one non-tenured teacher was terminated. We added an additional unit to kindergarten after school started due to a high number of students. One teacher from Paitra Rock Valley transferred to our school, a high number of new students were added. Currently, we have one teacher who is eligible for the school year.

## **Component 5: High Quality and Ongoing Professional Development (Sec. 1114(7)(A)(iii)(IV))**

**Describe how data is used from academic assessments to determine professional development.**

Teachers, Administrators, and Central Office Personnel analyze student performance data to look for weaknesses to determine the necessary professional development for the upcoming school year.

**Identify the professional development opportunities for teachers, principals, paraprofessionals, and other school personnel to improve instruction.**

Teachers, principals, paraprofessionals, and other staff attended job-alike professional development in August. Math teachers attended workshops on Eureka Math. Teachers attended round table workshops and ARI workshops. All faculty attended a workshop on classroom engagement with Dave Burgess.

**Identify the teacher mentoring activities included in the schoolwide plan. For example, new or inexperienced teachers are given support from an assigned master teacher.**

All new teachers and non tenured teachers will receive a mentor until they become tenured. The principal designates which mentor is assigned to each teacher.

**Describe how all professional development is "sustained and ongoing."**

The instructional coach will provide embedded professional development for teachers, as needed. Opportunities will be provided for teachers to collaborate on research-based instructional strategies and standards.

## Component 6: Transition Strategies (Sec.1114(7)(A)(iii)(V))

Identify the strategies in the schoolwide plan that support and assist students in transitioning from one grade level to the next. For example, preschool preparation for Kindergarten and/or eighth grade transition to high school and/or high school to college/work force.

**Goal 1:**

Provide a rigorous and effective instructional program to ensure the academic growth of all students.

**Measurable Objective 1:**

80% of Kindergarten, First, Second, Third, Fourth, Fifth, Sixth, Seventh, Eighth, Ninth, Tenth, Eleventh and Twelfth grade students will collaborate to complete authentic, multi-discipline projects annually to increase content knowledge and ensure the development of critical thinking and problem solving in (STEM) Technology, Engineering, Mathematics, and in Science by 06/01/2020 as measured by project rubrics, lesson plans, and classroom observations.

**Strategy1:**

## Component 7: Teacher Participation in Making Assessment Decisions (Sec.1114(b)(2))

**What measures are in place to include teachers in decisions regarding the use of results of statewide academic assessments?**

All teachers are assigned to a committee to analyze our state required testing data. Teachers will participate in subject based meetings to determine needs of improvement and create school wide goals/ideas to address these needs. Teachers will meet to develop a plan of action for their specific grade level. Teachers will meet with the grade level above and the grade level below them to discuss their plans of action. Our goal is to create a connected learning progression for each subject area for grades kindergarten through eighth grade.

## **Component 8: Timely and Additional Assistance to Students Having Difficulty Mastering the Standards (Sec.1114 (7)(A))**

**What is the process to identify students who experience difficulty mastering the State's academic achievement assessment standards at an advanced or proficient level?**

Every student in grades K-10 is given the Global Scholar Assessment at the beginning of the year. This data is used to determine which students need Tier 3 Intervention. Students are progress monitored every month to check their progress. If performing at grade level the student is taken out of intervention. Every 4.5 weeks teachers complete a Timely Assistance form for students who do not have at least a 70% average in each subject area. Teachers document strategies they will use to help individual students meet his/her academic goals. The students who are not performing are referred to the Problem Solving Team (PST). PST will develop a plan and monitor student performance. If the student does not show improvement PST will start the referral process for special services. The Problem Solving Team meets monthly to discuss students who are not meeting academic standards and/or having behavior difficulties. The PST is comprised of the principal, assistant principal, counselor, instructional coach, and classroom teachers. The PST is responsible for decisions which ensure all students receive instruction and interventions matched to their identified academic or behavioral needs.

**How is timely, effective, additional assistance provided to students who are experiencing difficulty mastering the State's academic achievement assessment standards at an advanced or proficient level?**

Students who are experiencing difficulty mastering the state academic standards receive Tier 3 instruction. They are monitored on a regular

**Special Populations as listed in the Carl D. Perkins Career and Technical Education Act of 2006 - Describe procedures used to address challenges for each group of individuals with disabilities, individuals from economically disadvantaged families (including foster children), individuals preparing for non-traditional fields, single parents (including single pregnant women), displaced homemakers, and individuals with limited English proficiency.**

Disadvantaged families are made to feel welcome. We provide weekend food and snacks for our students in need through our PALS program. Many opportunities are provided at various times for parent participation, such as Open House, Back to School Night, etc. Aides are provided to assist disabled students. Our school applies for grants to include the latest innovative activities at our school. We take advantage of field trips that cover the cost for disadvantaged families and Title I schools. This school year, Woodville School was one in five school recipients that qualified for EVERY student to receive free breakfast and lunch. Each summer we operate a Free Lunch Program for anyone 18 and under.

## Component 9: Coordination and Integration of Federal, State and Local Programs and Resources (Sec.1114(b)(V))

**List the State, Federal and local programs that are consolidated/coordinated in the schoolwide program and describe how all programs and resources are coordinated and integrated toward the achievement of the schoolwide goals.**

Funds from a variety of sources will be used to implement the overall school improvement plan. Ongoing collaboration across programs

The 2018 fiscal year allocation for the district is as follows:and alignment of state, local, and federal efforts will increase effectiveness, eliminate duplication, and combine services. Title funds will provide academic programs to assist students to meet state standards and coordinate with other educational services to ensure that the needs of students are met. Services for students with limited-English proficiency, special education students, immigrant, migratory, and or homeless students will receive proper services when enrolled in the school system. Research-based programs such as SuccessMaker, Khan Academy, and IXL will continue to be utilized. Effective professional development will be funded by utilizing monies from Title I, Title II, state, and local funds. Student performance on state assessments will serve as the overall evaluation of the effectiveness of professional development.

Title I, Part A-

74% - Instruction and Instructional Support

Title I Set Asides

14% - Administration\*

6% - School Improvement Specialist

6% - Parent Involvement/Consulting Teacher

6% English Language Teacher

\*Private school participation funds are included.

Per pupil Allotment (PPA) is \$336.73

Title I set-asides include related administrative costs such as: A program administrator (.75 FTE), a secretary (.50 FTE), a Parental Involvement Consulting Teacher (1.0 FTE), and related administrative costs (including a 1.0 FTE Title III program specialist, and 1.0 School Improvement Specialist) will be paid from the Title I funds.

A Newcomers Academy for EL students with a qualified itinerant EL teacher (1.0 FTE) was implemented January of 2017.

Title II, Part A- Teacher and Principal Training

The fiscal year allocation is as follows:

99% Class Size Reduction-Instruction

1% Professional Development

Title III-Language Instruction for Limited English Proficient and Immigrant Students

The fiscal year allocation is as follows:

57% Materials and supplies

43% Staff Professional Development

Title V-Rural and Low Income

100% Professional Development

Title VI Indian Education

100% Instruction and Instructional Support

Woodville School allocations for 2018

Title I

Part A Instruction

Title II

A. Instruction

Title II Professional Development-County Allocation \$14190.99

Title III County allocation \$13228.00

Title IV-Rural and Low Income budgets for pre-k and 21st century have not been ALSDE released at this time

Title V Professional Development-County Allocation \$104752.00

**How does the school coordinate and integrate the following Federal, State and local services in a manner applicable to the grade level to support achievement of the schoolwide goals: violence prevention programs, nutrition programs, housing programs, Head Start, adult education, career and technical education programs, and schools implementing comprehensive support and improvement activities or targeted support and improvement activities under section 1111(d)?**

All Jackson County Schools are served by Title I. Educational services will be coordinated and integrated to target improved student achievement most effectively. Ongoing collaboration across programs and alignment of state, local, and federal efforts will increase effectiveness, eliminate duplication and combine services. At each school, funds from a variety of sources will be used to implement the overall school improvement plan.

Woodville School qualifies for free breakfast and lunch under the Community Eligibility Program which enables schools to serve breakfast and lunch at no cost to all students. The schools qualify based on number of participation in Supplemental Nutrition Assistance Program, TANF, or the Food Distribution Program on Indian Reservations.

## **Component 10: Evaluation (Sec.1114(b)(3)):**

### **How does the school evaluate the implementation of the schoolwide program?**

The implementation of the schoolwide program is evaluated through observations and walk-throughs conducted by the administration and testing data. Monthly data meetings are held to evaluate and revise the plan as needed.

### **How does the school evaluate the results achieved by the schoolwide program using data from the State's annual assessments and other indicators of academic achievement?**

The results of the school wide program are evaluated through yearly analysis of standardized test data and improvement in academics as evidenced by timely assistance and report cards. Local assessments, such as Global Scholar are also used to evaluate the effectiveness of the school wide plan.

### **How does the school determine whether the schoolwide program has been effective in increasing the achievement of students who are furthest from achieving the standards?**

An analysis of improvement in standardized test scores, classroom grades, and participation by students who are furthest from achieving the standards determines the effectiveness of our schoolwide program.

### **What process is followed by the school to revise the plan as necessary, based on the evaluation, to ensure continuous improvement of students in the schoolwide program?**

Monthly data meetings are held to review, edit, and revise the plan as necessary to ensure continuous improvement of students. A reflection-projection meeting is held in the spring to formulate a plan for the next year.

# Parent and Family Engagement

## **Introduction**

All Title I Schoolwide and Targeted Assistance Schools must complete the following diagnostics: the Stakeholder Feedback Diagnostic, the Parent and Family Engagement Diagnostic, the Coordination of Resource/Comprehensive Budget Diagnostic, and EITHER the Title I Targeted Assistance Diagnostic OR the Title I Schoolwide Diagnostic. Parent Survey must be done annually, but it can be done electronically or by paper.

## **Parent and Family Engagement**

**Describe how the school will convene an annual meeting to inform parents of the school's participation in Title I and explain Title I requirements, including the 1% set-aside, and the right of parents involved. (Sec. 1116(c)(1))**

The annual Title I Parental Involvement Title I Meeting will be at the Woodville School School Transition Meeting, October 18, 2018. The meeting is to inform parents of the Title I requirements and is presented by the Federal Programs Parental Involvement Consulting Teacher. The Federal Programs Parental Involvement Consulting Teacher explains participation and requirements of Title I, 1% set-asides, and Parents Rights as well as describes the School-Parent Compact, the Parental Involvement Plan and the materials and support available at the Jackson County Parent Center. Woodville School and the Leadership Team chose to relinquish the 1% Parental Involvement allocation to the Jackson County Parent Center to offer programs to strengthen the school/family partnership by providing activities, materials, and education for school staff and parents.

**Describe: 1) How there will be a flexible number and format of parent meetings offered, such as meetings in the morning or**

**meetings to formulate suggestions and participate as appropriate in decisions related to the education of their children. (Sec. 1116(c)(4)(A)(B)(C))**

All documents related to Federal Programs are made available in both English and Spanish. Interpreters are available in the event there are high Spanish speaking populations to further assist in any other explanations necessary. Information regarding curriculum, classroom standards, homework policies and assessments are provided in the Jackson County Schools Student Handbook. All students receive a handbook on the first day of school and must return the Parental Acknowledgement form which is filed in their cumulative record. Parents are provided with additional information throughout the school year, i.e., progress reports, report cards, assessment reports. Progress reports are

**Shall provide materials and training to help parents to work with their children to improve their children's achievement, such as literacy training and using technology, as appropriate, to foster parental involvement. (Describe)**

The Federal Programs Parental Involvement Consulting Teacher, in cooperation with the principal, will conduct parent meetings and offer training sessions covering many topics designed to aid parents in becoming more involved in their child's education. The Consulting Teacher conducts one parent meeting per semester at times convenient for all parents to attend. Newsletters for parents of elementary, middle, and high school students containing valuable and age-appropriate strategies for better parenting are distributed monthly. The newsletters are also posted on the Jackson County District Website. Parents can access the school website to stay more informed and involved. The Jackson County School District and Woodville School has also added Facebook and Twitter as tools of communication with parents. Many teachers at Woodville School have their own grade level or classroom facebook site, as well as use Google Classroom and Remind. Daily parenting tips are managed by the Federal Programs Parental Involvement Consulting Teacher. Woodville School shares the responsibility, with the parents/guardians, in improving academic achievement, and behavior by signing a compact indicating their agreement to the terms listed. Faculty members will provide and distribute information to assist parents in understanding how students can improve skills, get help when needed, foster learning at home and give feedback to teachers. Woodville School hosts an Open House at the beginning of each school year. Parents will be given the opportunity to meet their child's teacher, explain expectations, and strategies to support their child. Parents will receive Progress

Reports at the midpoint of each nine weeks and Report Cards at the end of the nine weeks. The Jackson County School System, as well as Woodville School, has a mass notification system where parents can receive messages from the principal, superintendent, or designee. Woodville School has INOW Parent Portal which enables parents to view grades and report cards at their convenience.

**Describe how the school will build capacity for parental involvement including how parents will be encouraged to become equal partners in the education of their children? (See ESSA Sec. 1116, requirements for building capacity in parental involvement.)****To ensure effective involvement of parents and to support a partnership among the school, parents, and the community to improve student academic achievement, our school:****Shall educate teachers, office personnel, and other school staff, with the assistance of parents, in the value and utility of contributions of parents, and in how to reach out to, communicate with, and work with parents as equal partners, implement and coordinate parent programs, and build ties between parents and the school. (Describe)**

Throughout the year, the Parent Center will send home grade-appropriate newsletters home with the students. They can also be found on the Jackson County District Website under Federal Programs. The Federal Programs Parental Involvement Consulting Teacher conducts a minimum of two parent training sessions to be held at the school at flexible times for the convenience of parents. Teachers promote effective involvement by assigning interactive homework that requires students to discuss and interact with parents about what they are learning in class. The Federal Programs Parental Involvement Consulting Teacher operates the Jackson County Schools Parent Center which offers videos, games, books, and other educational resource tools which may be used by either parents or teachers. When parents are unable to come to the center, the Consulting Teacher will deliver requested materials to the school for the parent to pick up.

**Describe how the school will build capacity for parental involvement including how parents will be encouraged to become equal partners in the education of their children? (See ESSA Sec 1116, requirements for building capacity in parental involvement.)**

## ACIP

Woodville School

---

**To ensure effective involvement of parents and to support a partnership among the school, parents, and the community to improve student academic achievement, our school:**

**Shall to the extent feasible and appropriate, coordinate and integrate parent involvement programs and activities with other federal programs, and conduct other activities, such as parent resource centers, that encourage and support parents in more fully participating in the education of their children.(Describe)**

As part of the action plan for school improvement and to understand parent perceptions of school programs and services, surveys were sent home with each student and various stakeholders. The data collected from these surveys is used as a tool to better serve the children of Woodville School and Jackson County School District. One of the areas the survey identified to target continuous improvement was positive family, community, and staff relationships. The goal for Woodville School is to communicate effectively with parents and members of this community to build positive relationships that strengthen support for the educational process.

**Describe how the school will build capacity for parental involvement including how parents will be encouraged to become equal partners in the education of their children? (See ESSA Sec. 1116, requirements for building capacity in parental involvement.)**

**To ensure effective involvement of parents and to support a partnership among the school, parents, and the community to improve student academic achievement, our school:**

**Shall ensure that information related to school and parent programs, meetings, and other activities is sent to the parents of participating children in a format and, to the extent practicable, in a language the parents can understand. (Describe)**

In order to involve all parents regardless of home language, the Jackson County School District, as well as Woodville School, disseminates all information to parents in a format and to the extent practicable, in a language parents can understand. Translated documents and interpreters are provided as needed.

**Describe how the school will build capacity for parental involvement including how parents will be encouraged to become equal partners in the education of their children? (See ESSA Sec. 1116, requirements for building capacity in parental involvement.)**

**To ensure effective involvement of parents and to support a partnership among the school, parents, and the community to improve student academic achievement, our school:**

**Shall provide such other reasonable support for parental involvement activities as parents may request. (Describe)**

The Jackson County Board of Education provides each student with a Student Handbook at the beginning of each school year. The handbook provides clear detailed descriptions of rules, regulations, and expectations that are set by the Jackson County Board of Education. At the beginning of each school year, a parent meeting is held at every school in which the Title I program is explained to parents. During this meeting, the need for parental involvement is explained with the desire to foster positive family and community relationships. Parents are given the opportunity to voice concerns and ask questions. A letter explaining the materials available at the Parent Center is sent home at the beginning of the school year inviting parents to use the facility. Newsletters with age-appropriate activities are sent to the parents each

---

month. The newsletters, available in English and Spanish, can be found on the Jackson County website. The school district has added Facebook and Twitter to disseminate interesting and useful information to parents.

**Describe how the school will ensure the provision for participation of parents and family members (including parents and family members who have limited English proficiency, parents and family members with disabilities, and parents and family members of migratory children), including providing information and school reports required under section 1111 in a format and, to the extent practicable, in a language such parents understand. (See ESSA Sec. 1117(f))**

Information is collected upon enrollment to ensure current and accurate information for parents. In order to involve all families regardless of home language, the Jackson County School District, as well as Woodville School, disseminates all information to parents in a format and to the extent practicable, in a language parents can understand. Translated documents and interpreters are provided as needed. The District website platform has design features that help ensure, to the extent practicable, that content is ADA compliant and Jackson County facilities are handicap accessible. The mass notification system translates written messages sent to parents.
